

IAPS Global Society Grant Application

Please provide the following information:

- The name of your member society and the name and contact information of the project's contact person.
- A summary of the fundamental purpose you will be using the Grant money for (approximately 500 words).
- An estimated timeline/progression of your program.
- An estimated budget for the program. Below are samples of what *may* be included in your budget:
 - List the fees paid to the artists/hired help involved in the program. (List any travel or per diem costs)
 - List any fees associated with publicity.
 - List the expenses associated with implementation of your program. (example: List any fees for use of the exhibition site, venue rental, supplies, etc.)
 - List of any costs that are not listed above.

The deadline for application is June 1, 2023.

PDF files preferred.
